

Materials: Local map section, tag-board

THE MAP

On a separate piece of paper, number 1 to 9 and write your answers based on your reading of the map.

1. The large river which passes through Burlington and Davenport is called the _____ .
2. Name three towns which begin with a K.
3. Name the first large town west of Mt. Pleasant on Highway 34.
4. If you were going to Iowa City from Mt. Pleasant, which highway would you take?
5. Ottumwa has a college. What is its name?
6. Beginning at Iowa City, trace the Iowa River southward. Where does it end?
7. The largest city on this map is _____ .
8. Spell Mississippi backwards.
9. If you wanted to take a Sunday ride just for fun, where would you go? (It has to be somewhere on this map.)

Comment:

It is best to provide a small section of a local map so that the student may deal with locations and names which are already familiar. Some students may not finish and shouldn't be penalized if they try.
